

JHS Chorus Boosters Fundraising Committee

Mission:

- To fund the JHS Choir program beyond what is provided by the school district and raised from the Cavalier Classic competition
 - For 2023-2024, the preliminary budget is \$135,000 in expenses. The school district will cover approximately \$22,000 of that (mainly for busing and sheet music), and the Cavalier Classic will account for another \$50,000. This leaves \$63,000 (or approximately 46% of total expenses) to be covered from fundraising, donations, and concert revenue.

Guidelines:

- We want to provide an opportunity for students to earn any or all of their choir fundraising goal if they so choose.
- We want to encourage a high level of participation with fundraisers so the choir program can be fully funded and expenses won't need to be cut to match revenue.
- We want to provide a wide variety of fundraising opportunities spaced out over the year (but to be light during show choir competition season), with a mixture of sales opportunities and work opportunities.
- During non-trip years, we want to encourage students who will be going on the next trip to start fundraising early.
- During trip years, we want to make sure there are enough opportunities for students to earn money for the trip and their annual choir fundraising goal.
